Believe

**\*\*Believe\*\***

We did, once and forever moreâ€|  
He led and we followedâ€|  
Through hell and bloody goreâ€|  
In darkness and endless nightâ€|  
We do all we can, we liveâ€|  
For all we hold dear we fightâ€|  
Not for men, not for flagsâ€|  
No glory or medals to be wonâ€|  
He comes, and he leadsâ€|  
With hammer and gunâ€|  
He but one, but not aloneâ€|  
Hope goes with himâ€|  
Forward unto dawn and the unknownâ€|  
He leads and we followedâ€|  
We once did, and forever willâ€|

Believe.
